'RED ROBIN' RENOVATION

After several years of disuse, the old Red Robin factory in Pier Street (pictured left) will be renovated and used as a place of assembly by the Finnish Society of Melbourne.

Altona Council recently approved an application by the society to use the premises for its general activities. The factory has not

been used since it was abandoned by Red Robin Industries Pty. Ltd. some years ago.

A council spokesman recently told The Star that there were some 23 Finnish families living in Altona and they had shown interest in buying the factory.

Council's decision to grant the application was the result of a motion by Mayor of Altona, Cr. Pat Lynch at a recent general purposes committee meeting.

● The Finnish Society have a large job on their hands in tackling renovation of Altona's "Red Robin" factory.

Vandals have been very active as our picture (right) shows and extensive damage has resulted.

Finnish society to use factory

SPATE OF ACCIDENTS: CAR SMASHES INTO SERVICE STATION

HOSPITAL BOARD ELECTED

The four retiring members of Altona Hospital's Board of Management were re-elected at the hospital's recent annual meeting.

Miss A. Farrant, Mr. R. Rivett, Mrs. E. Roach and Cr. H. Weaver will each serve a further year term. One vacancy on the board remains unfilled.

At a subsequent meeting, Mr. Bob Stringer was elected for his third year as president and Mr. Ray Willis was re-

CR. H. WEAVER

elected honorary treasurer.

The board has announced that the Hospital and Charities Commission has approved the tender of H. and L. Weaver Pty. Ltd. for the extension work to commence early next month.

A car which ran out of control and careered into a Millers Road service station last Friday night, climaxed a spate of accidents in Altona last week.

The car was travelling south along Millers Rd. at 11.10 p.m. when a tyre burst, spinning the vehicle off the road and rear end first through the front doors of the Ampol Service Station at the corner of Millers Rd. and Noor-

dennie Ave. The driver of the vehicle escaped unhurt but his car smashed thirteen windows, two doors and seven batteries as well as causing damage to vehicles inside the service station.

The smash in Millers Rd. followed two bad accidents in Pier St. the day before. At 5.15 p.m. on Thursday, a pedestrian was knocked down by a bus,

A WESTGATE PUBLICATION

Jimbo is back.

Three years ago, Scottish born, Jim McEwen, (former star of the Altona High School production of The Mikado and lead singer of pop group the Brown-Eyed Handsome Jam) returned to Scotland with his parents. Not content to stay in Edinburgh, Jim travelled all over the world and now he is back in Australia. Jim is staying with former Altona musician, Graeme "Percy" Griffiths, in St. Kilda.

★ ★ ★

Altona Police are still in possession of a wedding ring that was handed into the station several weeks ago. Any claimers?

Bill Shannon Jr. will be out of town for a few weeks. Bill is working on a contract job in the Latrobe Valley.

Lost a paintbrush? Milk Bar in Somers Pde. is advertising the fact that one has been found.

★ ★ ★
Young people in Altona who have been inquiring about a pop dance, may not have as long to wait as they think. Moves are under way.

And in Williamstown, big things may soon be happening at the Yacht Club Hotel. In the way of entertainment, that is.

★ ★ ★
After one year with Altona Police, Constable Terry Stevens has been transferred to Laverton Police.

His transfer takes effect from tomorrow.

STAR GAZE

Just for the record, 356 babies were born at Altona Hospital during the year ended June 30, 1971. This information came to hand in the recently released annual report of Altona District Hospital.

ACTION ON OPEN DRAIN

Altona Council has acted on complaints from residents about the open drain in Kim Reserve at the rear of properties near the eastern end of Stirling Ave.

Stormwater and sullage water drain from six properties into the open drain.

At a recent general purposes committee meeting Council directed that the City Engineer prepare a scheme for the proper drainage of the land known as numbers 17 to 27 Stirling Avenue, and that he recommend the allocation of costs.

It was recommended that a drainage scheme be prepared involving the laying of an underground drain to replace the open drain from the rear of No. 17 eastwards to an existing underground drain at the end of Cambridge Street.

MOTORISTS DON'T STOP

At the recommendation of Traffic Officer, Mr. J. Hansen, Altona Council has written to Altona Police drawing attention to motorists not stopping at the red flashing lights at the corner of Pier Street and Blyth Street.

Reporting to council, Mr. Hansen said motorists preferred to stop on or over crossing walk lines, completely disregarding pedestrians trying to cross at correctly indicated areas of the intersection.

Council also moved that the City Engineer give attention to a verandah blind in front of a grocery store at the corner of Pier and Blyth St., which covered over one red light.

ANOTHER DENTIST

Altona Council has granted permission to Mr. K. K. Lee to establish a dental surgery at 27 Romawi St.

At Mr. Lee's request, Council has temporarily waived a condition of off

street car parking for three vehicles, because sewer reticulation is not yet connected to the property.

Council approved home occupation of house and dental surgery subject to the dental surgery being conducted within the definition of home occupancy at a 11 times and regular inspections of the septic tank system by the health inspector.

BOAT RAMP

Altona council and the Port Phillip Authority have granted permission to the Altona Yacht Club to construct a boat ramp, adjoining the club's site.

RESIGNED

After four years at Somers Pde. Kindergarten, Mrs. E. Burnett has resigned as directress so that she can go overseas on leave next year.

The resignation takes effect from February 4, 1972.

Mrs. Burnett had applied to council for three months leave during the second term of next year so that she could travel overseas with her husband. The application was not approved because council considered a break during mid-year undesirable for the children at the kindergarten.

LITTER FINES

Altona Council has appointed two Proper Officers to issue on-the-spot litter fines in the City.

They are council's traffic officer, Mr. J. W. Hansen and council's ranger, Mr. R. C. Heyen. Under the Litter Act 1971, the officers have the power to fine anyone they catch dropping litter in the city.

PHONE BOX

At the request of Altona Council, residents in the Wimpey Estate area, north of Altona High School, will soon have an additional public telephone.

The PMG Dept. will install the new telephone kiosk on the north side of Frazer Ave., about 57 ft. west of McIntyre Drive.

Council had applied to the PMG for the installation of a telephone in the area bounded by McIntyre Drive, Lowe Ave., Hammond St., and Lugg St.

CEREMONY

Some 40 people will be naturalised at a ceremony in the Altona Council Chambers on Monday, November 15. The date for the ceremony was designated by the Mayor of Altona, Cr. Pat Lynch.

LETTER TO THE EDITOR

In a letter to the Star, Mr. Kasimir Jurga JP of Cleghorn Avenue, Altona North, argued that churches are an important part of every community.

He wrote:

SIR,—“It was reported in the Press recently that a Melbourne churchman complained of too many churches.”

“This seems a little hard to contemplate as people need a place where they can find refuge from worries and somewhere to rest from their day-to-day cares.”

“There is no need to wonder at too many buildings, but rather at members of the congregation, who allow the buildings to be empty.”

“To make the church building useful, we need a re-awakening of religious fervor in the community.”

“Nothing sickens people more, than an overdose of materialism.”

“The world needs a new spirit.”

“This spirit can't be taught, for it depends on individual perfection for revival.”

“Where there is no spiritual vision, life loses its favor.”

“While a stranger cannot enter a house, he is welcome in God's house!”

“And therein lies the worth of the church.”

“If you don't need a church, never swing the wrecker's ball into the church; it is well to remember that your neighbor may use it.”

Yours, &c.,
K. Jurga, JP.

TRAVEL MAN TOM GETS ENGAGED

After five years of travelling Europe and the United States, Tom Fleming formerly of Bent St. looks like returning to Australia to settle down.

And when he returns the chances are he will bring with him fiancée Miss Sandee Schulhamer of Fresno, California.

Tom and Sandee were engaged on October 16 in the United States.

First people in Altona to hear of the engagement were Tom's parents, Mr. and Mrs. Chris Fleming, of Den Dulk Avenue.

Mr. and Mrs. Fleming have not seen Tom since he left Altona on a working holiday in 1966.

His first two years away were spent as a courier-driver for Contiki Travel Service in London, taking young tourists on camping tours to all parts of Europe.

In 1969, Tom travelled to the United States and in Miami he landed a job as ship's purser with Norwegian Caribbean Lines.

WATCH FOUND

A watch found in a telephone box in Millers Rd. Sesholme, on October 1, has been handed into Altona Police Station. The owner can claim the watch from the station in Blyth St.

He was in charge of all offboard trips and visited Jamaica, Haiti, San Juan, Puerto Rico and the Virgin Islands.

Not long ago, Tom left the shipping line and is currently working as travelling consultant for the AAA Automobile Club in Los Angeles.

He is attending college part time to increase his qualifications as a travel consultant.

Tom is the nephew of long-time Altona resident and Baptist minister Mr. Tom Fleming, who was awarded the MBE earlier this year.

TORTOISE, PIGEONS STOLEN

A Blyth Street resident has reported the theft of eight pigeons and a tortoise from his back yard.

Mr. William Haigh told Altona police the pigeons, worth \$50, and the tortoise were stolen between October 12 and October 14.

He said his pigeon pen had been broken into and the pigeons taken. The tortoise had been taken from the back yard.

The pigeons had registration rings on their legs. Altona police are investigating.

Val's Column

Hello girls,

First came Colorsilk. Then came Colorsilk lively young browns.

Now!

Colorsilk Ultra Soft Blonde.

The start of another Revlon success. Six gorgeous blonde shades created especially for brunettes. Until today, brown hair couldn't go blonde without pre-bleaching. Now, for the first time, even medium browns can go up to three shades blonder with this one step, foam-in hair coloring.

Cool! Crystal, Snow! Crystal, Snow Beige, Beige Mist, Snow Pearl, Pearl Mist.

These brand new shades of fashion colors are not replacing any other shades of Colorsilk.

Ultra Soft Blondes are new blondes.

Brighten up ready for that summer look. Just shampoo in new life.

Another part of good hair grooming is your hair brush. How is the one you have now? How is your hair? Dull, lifeless — needs more brushing and brushing with scalp massage?

Split ends, tangles? The bristles of your brush may be too sharp, too harsh. There is no time better than right now to select your ideal hair brush — we have a large range to choose from. Bristle, bristle cushion, junior styles. Twist — for the longer hair. Stylist brushes. Men's hair brushes, clothes brushes.

And keeping ahead with fashion — the perfect answer to that extra hair piece problem. A Petal Piece permanently curly wiglet with separately wired curls. Perfect remedy for a droopy hairdo. Attach to your own hair, twist and blend in the style you want. Poof it in curls — tuck it smooth on the nape of your neck. It is so quick and easy. Choose your own color, make your own style.

Remember our gift idea, girls. Gift Vouchers by Amcal to the value of \$1, \$2 or \$5. Enquire today.

Bye.

Our hospital had busiest year

**Altona District
Hospital had its
busiest year on
record during
the 1970-71
year.**

Occupancy of the hospital's beds rose by 10 per cent. to 83 per cent. and in-patient admissions increased by 142 to 1066, Secretary Mr. P. G. Dwyer, said in the hospital's annual report.

Mr. Dwyer said: "Whilst it is gratifying to all of us that district doctors and their patients seek to use the hospital's facilities, the number of doctors from the Altona area, regularly referring patients to the hospital has reached a total of 15 from five clinics and often proves embarrassing when we simply cannot admit any more patients."

Mr. Dwyer said that under these conditions the restricted working and accommodation areas made life difficult for staff and patients and for this reason the long-awaited final authority to improve facilities was indeed welcome.

"Apart from enabling

us to increase the kitchen size and provide an adequate baby food preparation area, the authority will enable us to relieve one of the most annoying problems, that of storage, particularly of mobile equipment and linen," said Mr. Dwyer.

Mr. Dwyer said that while there would be no increase in bed capacity, the alterations would help improve the comfort of patients and now that the extent of alterations was known, the much needed internal painting of the whole building could be proceeded with.

Mr. Dwyer continued: "As most of the year has been devoted to fund raising we have avoided purchase of any expensive additional equipment since, no doubt, all funds will be necessary to adequately equip the two new birth rooms and nursery."

Sail season opening

The sailing season opened last Sunday and a ceremony was performed by the Mayor of Altona, Cr. P. Lynch.

Altona Yacht Club was also honored by the presence of councillors, Burns, Carlsson and their wives, as well as Mr. Syd Fell, the deputy town clerk.

Results of the racing were as follows:
Hornets—Shadow:
J. Andress; Sayonora:

A. Owen; Zeus: M. Balish. GP14—Almark: A. Balish; Kricks: R. Purdy. Arafura Cadets—MLST: R. Pearl; Water Develop.: J. Horn, Jr. Herons—Sensie: K. Haynes; Badaho: H. Bertram; Sylvia: J. McCusker.

If you would like to learn about sailing, you are welcome to come along on Sunday, October 31.

Next Sunday at 10 a.m. there will be another novice training class held.

Children's festival here?

At the request of the Altona Inspectorate Migrant Integration Committee, Altona Council will call a special meeting to discuss the proposal of an international children's festival in Altona next year.

Social Evening

The Altona Spastic Aid Committee will hold a social evening on Friday, October 28 at 7.45 p.m. in the Youth Hall, Civic Parade.

Hostess will be Mrs. Merle Bennetts. Admission 50 cents adults and 20 cents children.

Council will meet as a sphere of greater mutual understanding.

Reporting to council, Town Clerk, Mr. Jim Waters, said he thought the festival a wonderful idea. He said he understood that the Altona North High School Assembly Hall would be available. He recommended that council congratulate the organisation on its initiative and lend whatever support it could to make the function a success.

Secretary of the integration committee, Mr. R. P. Lawry, had written to council asking if it would consider, as soon as possible, a proposal to hold a festival incorporating dancing, singing, drama, verse and instrumental selections, late in term one next year.

Mr. Lawry said the committee felt that such a festival could be the means of bringing together members of the various migrant groups in the community to an atmosphere of greater mutual understanding.

RSL

The quarterly meeting for the Altona Returned Servicemen's Memorial Club will be held on Sunday, October 31.

Nomination of office bearers for 1972 will be held on Tuesday, November 9.

The nomination of a trustee for the sub branch will be on Tuesday, November 9.

The annual general meeting and election of office bearers for 1972 will be held on Tuesday, December 14 at 8 p.m.

Visitors are welcome the Cup Eve dance on Sunday, November 7.

Bring your own supper. Entertainment will be provided.

On Sunday there will be a smorgasbord.

FLATS ARE APPROVED

An application by S.S.D. and G. Pasini of Werribee South, to build flats in Rose St. (265 ft. north of Queen St.) was approved recently by Altona Council.

A two-storey building will house the seven flat units.

HOBBYTEX

Would you like to earn money at home in your leisure or perhaps decorate children's clothes, curtains or pillow-cases?

Mrs. Anne Aitken, of Hobbytex, will be happy to show you how, with fine line liquid embroidery, and decorator paint.

A free, no obligation demonstration can be given in your home.

You can contact Mrs. Aitken at
398 2472.

MOTORING SECTION

by
PAUL CODY

An all-new luxurious Toyota Crown with a powerful 2.6 litre 140 bhp overhead camshaft hemi-six engine is now available in Australia from Australian Motor Industries.

ALL-NEW TOYOTA CROWN

Replacing the previous 2.3 litre Crown range the new Crown has a stylish and-setting line, very complete comfort equipment and retains the strong full perimeter chassis.

Two versions are offered — Crown Custom and top-of-the-line Crown SE. Both come with individual high backed front bucket seats and the choice of a four-speed manual gearbox with console mounted floor change or Borg Warner's proven three-speed automatic transmission with central "T-Bar" selector in the console.

Each model has power-assisted front disc brakes with proportioning valve

and dual circuit as original equipment while energy absorbing steering column, progressive crumple front and tail sections, combined steering and ignition lock and burst-proof doors are also fitted.

The heart of the 1972 Crown is a newly-developed 2563 cc single overhead camshaft six cylinder engine which has such advanced features as a cross-flow cylinder head, hemispherical combustion chambers and a seven main-bearing crank shaft.

Developing 140 brake horsepower at 5200 rpm, it is the largest and most powerful engine fitted to any Japanese sedan on the Australian market. The Crown comfortably exceeds 100 miles an hour and its outstanding torque characteristics from its new large capacity motor provides a most impressive bottom end performance.

The Crown's new styling is expected to establish it as a fashion

leader among luxury sedans. It has a long nose and smooth appearance. A new feature is the low cost repair or replacement body matching bumper arrangement. A chrome narrow bumper with rubber buffers protect the car

from front and rear knocks. Any damage to the bumper panel is less costly to repair than the wide chrome bumpers they replace. Many manufacturers around the world are now adopting this feature.

Inside, the Crown has been designed to make it one of the most completely appointed sedans available in Australia — at any price.

Standard equipment in both Custom and SE models includes top grade breathing vinyl upholstery — a comprehensively instrumented cockpit type curved dashboard panel with complete instrumentation which includes an electric clock. A steering lock with a warning buzzer to remind you to remove the ignition key, courtesy lights, assist grips for all passengers, a powerful three-speed heater/demister, wall-to-wall carpeting, flow-through

ventilation and magazine pockets on the backrests of the front bucket seats.

In addition, the Crown SE has an 11-transistor dual speaker push button radio with a speaker balance control and a power operated aerial, a full reclining mechanism on the front seats, a deluxe specification trim, a glovebox light, boot and bonnet lights, a dash panel parcel tray, a fan-booster for the fresh air ventilation and a back seat centre-folding arm rest.

The new Crown is roomier than its predecessor as a result of curved side windows and there is more leg room front and back.

The large boot is fully lined and carpeted on the SE model, the car's cruising range has been increased with the fitting of a bigger 15.4 imperial gallon fuel tank.

The 1972 Crown retains the proven suspension system of its predecessor that at the front being independent with coil springs and wishbones, while the back axle is located by four links and a lateral track bar and has coil springs.

MOTORING SECTION

The Phillip Island circuit was the centre of a big win by Colin Bond in his Torana. Bond and Brock faced a strong challenge from the Ford team (Moffat, Preece and Piper) under good racing condition last weekend in the championship.

Colin Bond and his Holden dealer entered Torana back in seventh place at the end of the first of four night stages. On the second 500-mile stage, the versatile Bond, who had won his class in a Torana at the Bathurst

The Bond-Torana combination, in defeating these drivers, who have won some of the most demanding rallies in the world, confirmed that they are rightful holders of this year's Australian rally championship and quite capable of taking honors in classic rallies on the other side of the world.

Bond led the Southern Cross Rally on the first night out from Sydney until water got into the ignition system of his Torana as they plunged through one of the flooded river crossings near Port Macquarie. The delay with this problem put the

Manufacturers' championship to Torana

500 four days earlier, drove brilliantly to be in third place behind two Galants specially built in Japan and driven by long-distance champion Doug Chivas and dual winner of the tortuous East African Safari, Edgar Herrmann, of Kenya. At the end of the third stage and with only 500 miles to the finish, the Bond Torana

Bond has been third on two occasions, fourth once and sixth last year in the past four Southern Cross

International Rallies. Ken-yan Edgar Herrmann looked like the man to beat him in 1971.

Confident that the Torana and his navigator and school days friend George Shepherd would help him keep the internationals at bay, Herrmann was joined by fellow Kenyan Joginder Singh, Scotsman Andrew Cowan and Japanese star Yoshio Iwashita in the international attack, while other Australian champions were close behind. As the cars dashed through the darkness and dust swept forest roads on the fourth and final night, the Bond-Torana combination set a cracking pace and this put the pressure on the other crews, as a result, Edgar Herrmann, the main challenger, went off the road and damaged his front suspension.

The cool-headed Bond, knowing the problems of the final night, kept up the pressure until he was certain that no other crew was near him, team manager Harry Firth, a Southern Cross winner in 1966, kept a cagey eye on pro-

ceedings also, with 150 miles to go he instructed Bond to go steady and be certain of finishing.

At Port Macquarie, as the sun came up on the Sunday morning, the Bond-Shepherd-Torana team with the expert backing of Harry Firth, had the "7 CROSS" won, they were 21 minutes ahead of the second crew, Stewart McLeod and Adrian Mortimer, of Adelaide, in another Torana XU-1, with last year's winners, Barry Ferguson and Dave Johnson, in a Galant third.

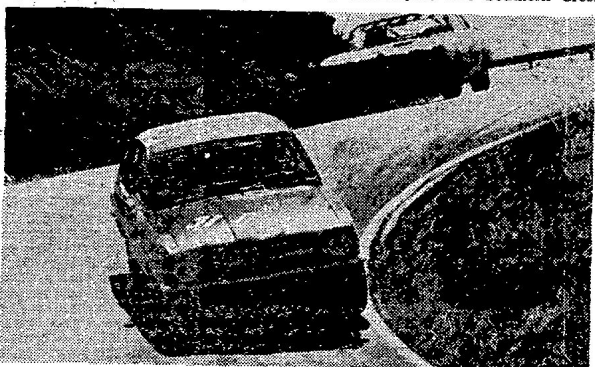

Herrmann finished fourth with Iwashita sixth in a Datsun 1800, both were loud in their praise of Bond and the Torana. Herrmann felt that they would be most competitive in the famous East African Safari.

So ended an action-packed nine days for Colin Bond, a gruelling

500 miles at Bathurst, a two-day break and then 2000 concentrated miles and the manufacturers' champions last weekend, has put his name on the international rating list and has once again shown that he is the most talented driver in Australia.

Torana wins at Warwick Farm in May and at Sandown on September 12 with Colin Bond behind the wheel has given the car the lead with the only win to the Falcon at Bathurst in April, the win at Phillip Island was important as the final round is listed for Surfers Paradise on November 7.

This was the first time since 1962 that a major series production race has been staged at Phillip Island, the circuit played host to the first three 500-mile production car races before the concept transferred to Bathurst in 1963.

Valiant's luxury sports models

Complete manufacture within Australia, coupled with strong and continued demand for two-door hardtops, has enabled Chrysler to introduce its luxurious VH Valiant two-door models at a price only \$70 more than the corresponding top-line VH Valiant sedan.

Chrysler Australia's VG when cornering. The overheads used imported all length has been reduced body panels and cost \$200 by 3.2 inches to 196.6 more than the sedan, but inches as a result of the new models are built hardtops' arrowhead styling which matches the trend introduced to Australia by the VH Valiant sedan range.

The roofline is unique to Chrysler's hardtop models, following a sweep contour which highlights the car's elegant exterior. Rear quarter windows which wind down are another hardtop speciality enhancing the car's sporting good looks.

Besides providing extra space and better stability, the longer wheelbase gives the hardtops the stylish two-door profile which accounts for the growing popularity of these models since they were first introduced by Chrysler in 1969. The trunk has a capacity of 31 cubic feet, giving it unrivalled storage space in the medium car class.

Two versions of the hardtop, the Regal and Regal 770 luxury models, are marketed with the VH range. Automatic transmission and power-assisted disc brakes are standard equipment on both models, heading a range of features offered as options in other models. The hardtops also come equipped with several features exclusive to the Regal and Regal 770 versions.

Privilege Cookery Book Offer for AGE Readers Only

LIMITED REPRINT

Due to unprecedented response from our readers we are happy to announce a limited reprint of this magnificent Age Cookery Book. This is a book which has been praised by hostesses, gourmets and professional cooks. This magnificent book in full color, as big as the Melbourne Telephone Directory, has recipes from 50 of Australia's top food and wine experts. It covers first courses; Soups; eggs; fish; poultry; meat; vegetables; salads; pasta and rice; desserts; cakes; biscuits; entertaining; international cooking; and all the right wine and drinks to serve at the right times, together with standard measures and oven temperatures. All fully indexed. And every recipe is laid down step by step so it is almost impossible to go wrong. Because of "The Age's" wide publishing arrangements the cost of this book has been kept down to \$5.95. It is available ONLY to Age readers. You may collect the book personally or have it mailed to you.

EITHER (a) collect the book yourself by presenting the privilege voucher together with \$5.95 at "The Age" book division, city office, 239 Collins Street, Melbourne, or at the head office at 250 Spencer Street, Melbourne, OR

(b) Send your completed privilege voucher together with your remittance for \$6.50 (\$5.95 plus 55c for packaging, insurance and postage) to "The Age" Cookery Book Offer, P.O. Box 2070-S, G.P.O., Melbourne, 3001.

PRIVILEGE VALUE ONLY \$5.95

I enclose a cheque/money order/postal note for \$5.95 (or \$6.50 if mailed) for my copy of "The Age" Complete Book of Cookery.

PLUS 55c POSTAGE

Mr./Mrs./Miss.....

Shutterbugs' 10th birthday

To commemorate the 10th anniversary meeting of the Newport Power Station Camera Club, Mr. Noel Kewish will be invited to present a show.

The meeting will be held on Thursday, October 28.

Mr. Kewish was one of the top class judges and lecturers, who have given members talks and demonstrations over the past decade.

Mr. Stan Simms was the club's first president. He was followed by Mr. George Ledgett, Mr. George Preston and the current president, Mr. Alec Colville. Mr. Chris Cody (secretary), Mr. Jim O'Shannessy (treasurer) and Mr. John Gravett (committee) have held their offices since the club's inception.

Mr. Reg Bodsworth completes the present committee.

Over the years, the club has enjoyed many outings such as

"night shot excursion", picnics to the country, visits to other clubs and business houses.

The highlight of the camera club year is the annual interclub competition with the sister club, SEC Geelong. Each club takes turns to act as host.

Past members, lecturers, Newport Presbyterian and Williamstown Camera Clubs have all been invited to make the night a fitting climax of the SEC Newport Camera Club's first 10 years.

They're to wed.

The engagement of Leonie Norma Cooper and Maxwell Douglas Outen was celebrated at the Youth Hall, Marion Street, North Altona, on October 16.

Leonie is the daughter of Mr. and Mrs. J. Cooper of Cooper Avenue, North Altona and Maxwell is the son of Mr. and Mrs. R. Outen of Dowman Street, Newport.

Battery theft

Dove St. resident, Mr. Harry Van Dyk, has reported the theft of a 12 volt Marshall battery from his car recently.

The battery, valued at \$20, was taken from the car, which was parked at the corner of Burt St. and Civic Pde., between 8.30 p.m. on October 15 and 1 a.m. on October 16.

The car was not entered, but thieves raised the bonnet to take the battery.

VALIANT'S LUXURY SPORTS MODELS

Cont. from page 6.

All these refinements are combined in a car designed for the upper 30 per cent. of the Australian market—the drivers prepared to pay extra for the best value in motoring.

Among standard motor-aided aids not found in the VG model are a steering column lock, remote control ventilation, concealed fuel filler cap, a remote control exterior mirror and floor-mounted handbrake with a special safety release.

The Regal hardtop is easily recognised by its engine hood ornament above the grille, the sill moulding beneath its doors, a wide applique panel linking the tail lamps and a rich paint treatment of its hub caps. The Regal emblem also appears on the roof side panel behind the quarter window.

Inside the car there is an instrument panel cluster unique to the model with round dials set in a wood grain finish. A handsome electric clock heads a full range of instruments.

Standard seating in both hardtops consists of reclining front bucket seats with high backs, incorporating headrests as a safety measure.

There is a central cushion armrest between the front seats and a retractable centre armrest on the rear bench seat. Bucket seats come in an expanded vinyl trim, with a nylon weave and vinyl combination offered as an option.

Every corner of the car's interior is illumin-

ated, including the floor, which is lit by instrument panel lamps operating when the doors are opened.

Another lamp is located in the lockable glove box, and a final illuminating touch is provided by another lamp set in the ash tray which operates when the tray is pulled out.

The Regal's steering wheel is specially ornamented with a half-circle horn ring. Driver comfort is enhanced by a soft-grip material on the wheel and the car is equipped with a dual horn system.

Upholstery on the upper door panels is fully padded and the lower edges of the doors are fitted with carpet kick-pads to avoid soiling of the door trims.

Hardtop connoisseurs find their specialist tastes well catered for in the Regal 770 model, an ultra-modern sports machine lavishly equipped for driving comfort and powered by engines of optimum performance.

The 770 is easily distinguished from its sister car by the pair of quartz-halogen long-distance driving lamps mounted between the headlamps to provide a special aid for long journeys by night. From the rear the car is recognised by the over-riders on its bumpers and from the side by Chrysler's striking new road wheels, radial tyres and the Regal 770 badges on the roof.

It is the most sophisticated car in the entire VH range, with a style that would command attention anywhere.

The 770 is provided with all the luxury aids

found in the Regal, plus many features exclusive to itself. They include its special styled road wheels, 6½ inches in width, fitted with 185 S.R. radial ply tyres.

A front anti-sway bar provides the extra stability demanded by the car's immensely powerful

engine and its aerodynamic streamlining.

The overall appearance of the 770 hardtop's interior is that of a top-quality sports car, with all controls, including the floor-mounted console shift for its automatic transmission, designed to enhance this impression.

YOUR RATES AT WORK

City Engineer, Mr. Ralph Simons, made the following report on council contracts to last night's meeting of Altona Council:

● **Altona Meadows — Private Street Scheme No. 104.**

Excavation of the road bed and spreading of crushed rock for the base course was completed in Talbot St. between Queen St. and the sealed roadway 130 ft. south of Alma Ave.

● **Burns Rd. and Harcourt Rd.**

Construction of drains near the intersection of Burns and Harcourt rds. was completed. Spreading and consolidation of the final layer of fine crushed rock is in progress.

● **Altona Rd.**

The laying of pre-cast kerb and channelling was completed along the west side of Altona Rd. from Cherry Lake outlet drain for a distance of 300 ft. and is in progress along the east side of the road.

● **Princes Highway Service Road.**

The laying of an underground drain from the western end of the proposed service road west of Myer's bulk store to Cherry Drain was completed.

Excavation of the road bed is in progress.

● **Queen St. — widening and reconstruction.**

In connection with the widening and reconstruction of the section of Queen St. between the Truganina Swamp outlet channel and Victoria St., Rd. near Boorak Square is the laying of an under-

ground drain from the outlet channel westerly was commenced.

● **Intersection of Grieve Pde. and Blackshaws Rd.**

In connection with road-way widening to be undertaken on the north-east and south-east corners of the intersection, excavation of the road bed and construction of concrete kerb and channelling was completed at the north-east corner.

Poles were erected by the SEC for street lighting at the intersection and along the western end of Blackshaws Rd.

● **Toilet Block for Boorak Square.**

The installation of fittings and pouring of concrete a floor for the toilet block in McArthur's Rd. near Boorak Square is nearing completion.

CHILDREN FREER AND FRIENDLIER

Peter Treyvaud well remembers the days when children sat in a classroom with ram-rod backs — scared to move.

When the teacher stood at the front of the class and dictated the same lesson on the same day of the same month of each year.

Times have changed and so have the methods of teaching and Mr. Treyvaud, 64, who retires as headmaster of Altona Primary School in December, feels mainly for the better.

There's a slight tightening of the voice, a little bated breath when it comes to talking of the freedom of pupils but he feels that the replacement of an iron discipline with self discipline is a good thing.

Mr. Treyvaud has been principal of the school for 15 years and in the teaching profession for 48.

His first school was in East Malvern and appointments have included a one-grade school at Kerang.

Of the changes in teaching methods he says: "They have changed beyond recognition during the years that I have been teaching."

"There is less emphasis placed on factual knowledge and more on thought-provoking material. This is good because it makes the child think for himself."

"This form of education is an endeavor to cater for the individual and not just the class as a whole."

"Now a grade can possibly be divided into four or five different grades of pupils at different levels of advancement."

Mr. Treyvaud says that the atmosphere in today's classroom is much easier and the relationship between teacher and child friendlier.

"Children in grade six have the maturity now of the children who were in form three or four 20 years ago and they are considerably less dependent," says Mr. Treyvaud.

Mr. Treyvaud who lives in Morris Street, Williamstown, with his wife Betty, has two sons, Ian and Leigh.

He says that he is very sorry to be retiring from a school to which he has grown very attached.

Clothes wanted for orphans

Mrs. Irene Williams is collecting children's clothes to send to Vietnamese orphanages.

The orphanages are run by nuns and the World Vision Child Care in Saigon.

Lightweight clothing suitable for babies and children up to four years of age are needed urgently.

Clothes can be sent C/- Mrs. Irene Williams, 7 Moore Court, Altona.

MYSTERY THEFT

Footscray detectives are investigating a mystery theft at the Altona North Technical School.

Thieves stole tools valued at \$261.00 from the school's trade wing — but how they entered is a mystery.

All doors to the school were locked, but there was no sign of a forced entry.

Included in the haul were drills, spanners and welding equipment.

SORRY

Recently the Star incorrectly stated that the new secretary of the Altona Ministers' Fraternal was Reverend Athol Ridgway when in fact the new secretary is Father Malcolm Crawford.

Father Crawford requests that all communications to the Fraternal be sent to him.

CASH IN THE CLASSROOM

A share in cash prizes totalling \$2500 is open for competition among students and apprentices in furniture and cabinet making at the Footscray Institute of Technology this year.

Ten colleges, including five in Victoria and five in NSW, are eligible for the awards. Other schools in Victoria are the Collingwood and Prahran Technical Colleges, Royal Melbourne Institute of Technology and the Gordon Institute, Geelong.

Major awards will be made to senior students creating what judges deem the finest pieces of furniture, with both design and craftsmanship taken into account.

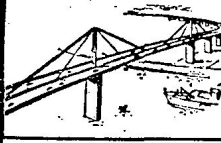

Bursaries are also offered to the most promising second year student or apprentice at each school.

Both Fine Furniture Awards and bursaries are being offered by particle-board manufacturer, Pyneboard Pty. Ltd., jointly owned by CSR and APM. Marketing activities of this company were recently transferred from CSR Building Materials division.

Prizes, which are conditional on high standards of entries, include a prize of \$250 for the maker of the best piece of furniture in each State.

First-prize winners at each school will also be awarded trophies.

HELP FOR THE SICK MOTHER

When a mother is away from home because of her illness or confinement, she needs somebody to look after her children.

In many cases the family can't afford to hire outside help, but there is a home help service in Altona, which charges a reasonable amount.

The charge is assessed according to the family's income.

The service is also valuable in the case of elderly and infirm people, who are still able to live in their own homes and with a little assistance can continue to do so.

Mrs. Lorna Carruthers, JP is home help supervisor for the City of Altona.

She can be contacted

through the Altona Civic

Offices.

A medical certificate is necessary in all cases and must be provided by the doctor attending the case, the matron in charge of the hospital where the patient is admitted or an infant welfare sister.

It is an emergency service — only available for a maximum period of three weeks.

If an extension of time is absolutely necessary,

the State Health Department is contacted for permission.

No nursing duties are performed by the helpers, which is carried out by the District Nursing service.

The home helpers work only within their own area.

Every effort is made to employ people who are completely trustworthy to enter a home when the mother is away.

A home helper has to be acceptable to children as a

temporary mother and must be interested in old people.

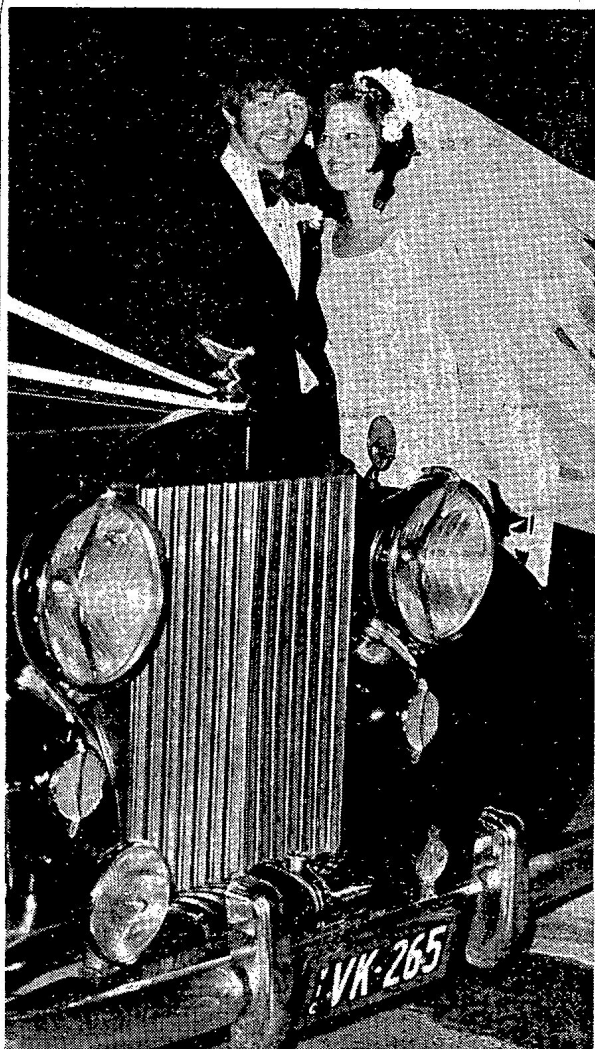

Hours are usually from 8 a.m. to 4 p.m. or 8.30 a.m. to 4.30 p.m., in the case of full time hours and 9 a.m. to 12 noon is the most popular request by mothers of new babies to assist them for two to three week in their new home routine.

Pre-natal assistance is also available sometimes.

The service is available to all residents in Altona.

The trend is to Suburban Newspapers

A Rolls to church

Mr. and Mrs. John Charles Davey were transported to church by a Rolls-Royce on their wedding day.

The young couple were married at St. Ewathwyes Church of England on October 1.

The bride, formerly Miss Dawn Ivy Williamson, is the only daughter of Mr. and Mrs. H. J. Williamson, of Blyth Street, Altona and John is the only son of Mr. J.

Davey and the late Mrs. J. Davey.

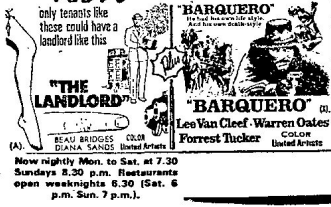

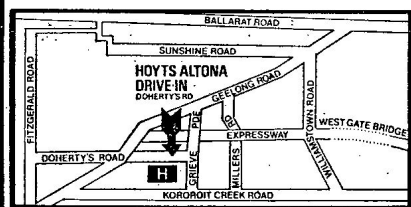

The bride was attended by Miss Brenda Durkin.

Best man was Mr. G. Collins.

A reception was held at Talbot Reception Rooms, Williamstown.

Picture by Pierre Studios.

Life membership for Society member

At a meeting of the Altona Historical Society last week Miss Gwen Luly, one of the original members of the Society was presented with a Life Membership Certificate.

Now that the society is beginning to grow in numbers, Miss Luly feels that she can gracefully retire.

The committee of the society felt they could not just let Miss Luly go without saying thanks, so they decided that an Honorary Life Membership would always keep Miss Luly in touch.

Miss Luly was very surprised and pleased to receive the honor of being the first Life Member of the society and she also expressed her pleasure at being persuaded to come along to hear the Speaker for the night, Mr. Griffin Bartlett.

She said that he was a good speaker and very interesting.

Mr. Bartlett is an honorary architect to the National Trust and brought along large accurate drawings of buildings.

BARBECUE

The Altona City Football Club is holding a barbecue at Bill and Helen Devereaux's place in Burt Street, Altona, on Saturday, November 6.

Admission is one dollar, per head, food and refreshments will be available.

As a lack of finance is a bogey man, members are asked to maintain the high standard the club has on the playing field by attending this function.

A pleasant evening is planned and your patronage will add to the club's funds.

FOR SALE

THE BOUTIQUE

116 Queen Street, Altona.

As many of the readers of the Star would know, my shop was broken into a few days ago and most of the stocks stolen. I have decided not to restock so that I can devote all my time to my daughter.

This would be an excellent opportunity for a smart lady to purchase and successfully operate.

THE BOUTIQUE

on her own with virtually no assistance. I will be pleased to discuss this possibility with genuinely interested people, and I would be willing to give support and assistance to whoever decides to purchase the business. Please ring me to arrange a mutually convenient time to discuss the matter.

PAT MORTON — 398 1641

CITY OF WILLIAMSTOWN

NOTICE OF INTENTION TO MAKE A GENERAL RATE AND SANITARY SERVICE CHARGE

NOTICE is hereby given that the Council of the City of Williamstown intends, at a meeting of the said Council to be held in the Town Hall, Williamstown, on Monday, the 1st day of November, 1971, to make a

GENERAL RATE OF SIXTEEN & ONE HALF CENTS IN THE DOLLAR (16½ CENTS)

on the net annual value of the property assessable in the Municipal district of the City of Williamstown, and a

SANITARY SERVICE CHARGE

in accordance with the provisions of the Health Act, 1958, of FORTY-FIVE DOLLARS (\$45) per annum for the removal of Nightsoil from premises in the area in which such service operates.

It is intended that such Rate and Charge shall be made for the period commencing on the 1st day of October, 1971, and ending on the 30th day of September, 1972.

The estimate, prepared in accordance with the provisions of the Local Government Act, 1958, is deposited for inspection at the Office of the Council, Municipal Offices, Ferguson Street, Williamstown.

J. E. Morley

TOWN CLERK AND MANAGER

WAFDCA results

Unsettled weather is still giving W.A. and FDCA bowlers an advantage. Here are the results of round three:

A TURF Gellibrand 34 and 131 (R. Smutney 48, C. Shoppee 20, R. Curwood 5-57, R. Ragels 3-38) lost to West Newport 4-41 dec. and 9-127 (R. Irving 56 n.o., L. Norton 3-28, L. Davies 3-44, C. Shoppee 3-50). Outright: RSL 45 and 2-80 (J. Taylor 39, W. Robinson 35) defeated N'port Footbatters 75 and 48 (W. Self 6-29, J. Selvidge 3-15) outright. Newport ANA 7-171 dec. defeated N'port Basebatters 36 and 52 (G. Hughes 4-24, J. Moore 3-19) outright by an innings. W'stown Imps 3-83 dec. and 0-7 defeated CYMS 28 and 59 (J. Rowe 5-14) outright by 10 wickets. W'stown Colts 57 and 106 (S. Statters 34, S. Hatt 4-23) lost to ANK Stars 7-78 dec. and 7-86 (D. Outen 21, S. Hatt 20 n.o., E. Dudak 4-32) outright.

B TURF ANK Stars 7-197 (P. Banks 25, K. Buchanan 35, J. Thompson 35 (ret. hurt), M. McDonald 32, A. Oliphant 44 n.o.) drew with Laverton 9-255 dec. Altona 5-128 dec. (A. Merrill 61) and 46 (A. Merrill 21) A. Harris 6-18) lost to Will. Basebatters 75 (A. Merrill 4-10, T. Gray 3-26) and 7-182 dec. R. Saker 40, B. Wills 40 n.o., A. Rush 30 n.o., A. Merrill 7-58). N'port Footbatters 21 and 89 (P. Eckardt 29, W. Wendt 21, G. O'Boone 7-32) lost to Powerhouse 3-104 dec. and 2-7 outright. West Newport 54 (R. Polwarth 6-17) and 3-96 (G. Brandt 48, P. Tikitakis 3-12) lost to N'port ANA 5-106 dec. (K. Neville 36, L. Barker 26, R. Parsons 3-18).

MATTING Powerhouse 111 and 9-58 dec. (G. Clamp 3-28, M. Wityk 6-26) defeated St. Pauls 77 (G. Clamp 27, R. McDonald 5-36, J. Powell 4-28) and 54 R. McDonald 3-3, J. Powell 3-6, CYMS 8 dec. 180 (R. Campbell 109, W. Dean 26) and 9-60 (P. Byrne 6-31 and 3-69, R. Taylor 3-62) defeated Will. Colts 125 and 112 (J. Atkinson 42 n.o., D. Fowler 25, J. Stonehouse 3-62).

UNDER 16 Gellibrand 4-72 dec. (R. Williams 39) and 4-74 (R. Williams 24, J. Dickinson 3-28) defeated Newport ANA 65 and 2-78 dec. (T. Smith 45 n.o.) outright. ANK Stars 4-144 dec. and 6-64 (S. McCallis 3-16) defeated Laverton 85 (P. Parker 25, T. Dorgan 5-15, N. Doria 3-14). Westgate 83 (J. Hester 23, J. Herman 5-27, W. Spicer 3-23) lost to West Newport 87 and 5-68 (W. Spicer 19). Altona 8-125 dec. (P. Jenkins 63, B. Burnett 4-29) defeated St. Pauls 45 (P. Jenkins 4-12) and 21. Good performances.

MERRIL STARS IN DEFEAT

The Altona Club Eleven lost outright — after leading on the first innings.

Altona was dismissed for a disappointing 46 in its second knock.

Williamstown Basebatters had made 182 in their second innings, with Merrill bowling brilliantly for Altona and finishing with 7/58.

He followed up this performance by being the only Altona batsman to show much resistance against a steady attack, scoring 21.

No other batsman got into double figures.

Printed and published by George David Gilmore, of 22 Codrington Street, Sandringham, for David Syme & Co. Limited, Head Office, 250 Spencer Street, Melbourne, 60 0421.

from W. Self (RSL) 11 for 53, K. West 8-21 (ANKSJC).

O'Boone (Powerhouse) 11-41, A. Merrill 11-68 and 61 with the bat for Altona. R. Irving (West Newport) 56 n.o., a match winning effort and R. Campbell (CYMS matting) 109, P. Jenkins (Altona Under 16) 63 also outstanding performances.

Outright win to C grade

Altona's C grade side had an outright win, despite a disappointing display in the field.

They had already passed Telegraph's score of 46 last week and went on to declare at 5/140.

They quickly had a wicket in Telegraph's second innings when an excellent return from Keith Hancock found the batsman well out of his ground.

The Altona attack was weakened by the loss of Dick Conradi due to illness.

Led by Frank Kirk, they tried valiantly, but were let down by bad fielding, particularly from the younger players.

Telegraph had good partnerships for their second, third and fourth wickets and at the loss of their fourth wicket, had secured a lead of 17 runs.

Keith Hancock was introduced into the attack and, within six overs, had secured three wickets to put his side back in the game.

Dick Conradi relieved Hancock and wound up the innings for 163, giving Altona 69 runs to make in 70 minutes.

Bill Bibby and Jim Joyce opened Altona's second innings and after four

overs had only 17 runs on the board.

But 38 runs within the space of four overs put them in a strong position. They hit the remaining runs with time to spare, without the loss of a wicket.

Altona 5/140 dec. (Bibby 61, Hancock 29 n.o.) and 0/71 (Bibby 30 n.o., Joyce 32 n.o.) d Telegraph 46 (Conradi 4/18, Kirk 5/26) and 163 (Conradi 3/42, Hancock 3/14, Hosken 2/72).

Steven Smith won all three events he entered in the under-10 section of the Altona Little Athletics championship over the weekend.

Western Club is on duty roster for next week's rounds.

Other results are:

Under 17 — 200 metres hurdles: J. Girvan, 1.

Poor fielding cost victory

Poor fielding cost Altona a win against Werribee on Saturday.

Werribee resumed at 0/11 and took their score to 38 before Hansen bowled Closter for 21.

With the score at 49, Altona appeared to get on top when Hansen once again broke through.

But bad fielding enabled Werribee to take their score to 5/133, leaving them only 25 runs short of victory with five wickets in hand.

Although in a seemingly impossible position, Altona fought back strongly and captured 3/20.

Dare and Hansen had the opposition under a lot of pressure with some tight bowling.

They conceded only four runs from five overs.

In the next over, however, a Werribee batsman scored the winning runs with a thick edge through backward point.

With 30 minutes remaining to stumps, Altona batted and were 2/23 in their second knock.

Altona 157 lost to Werribee 182 (Hansen 5/48, Dare 1/28, Shaw 1/28, Page 1/22, Stephenson 1/30, Forrester 1/19).

Winners of the first three special efforts were V. Douglas, R. McCullagh and F. Howard.

Smith stars at speedway

The highlight of the meeting at the Melbourne Speedway last Saturday night was the brilliant display of John Smith driving his AJS Valiant.

Smith just failed to catch Dickinson in the 1st heat of the Production Car Grand Prix after a tremendous dice for the full 10 laps of the heat.

Their time of 3 mins 40 seconds reflects the fast speed maintained during the heat.

Another Werribee driver to go very well was John Burnes. Driving his very fast early model Zephyr, Burnes handled the heavy going in great style and ran into 3rd place in the repechage and followed this up with a 5th in the Final of the Grand Prix.

Werribee housewife, Margaret Alabacus, is favorite for the Oaks Stakes for lady drivers to be held at the Brooklyn Circuit on Saturday week the 6th of November.

Margaret is driving at the top of her form at the moment and will be extremely hard to beat in this big annual event.

The meeting to be held this coming Saturday the 30th October, will be a good chance for Mrs. Alabacus to have a warm up run in preparation for the running of the main event on the annual calendar for the ladies Ladies Production Car division.

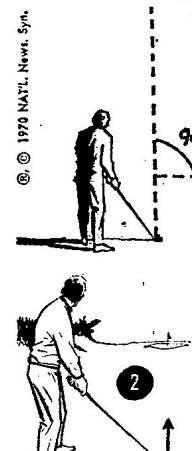

Mrs. Couch won this Oaks Stakes last year but the win should go to Mrs. Alabacus this year.

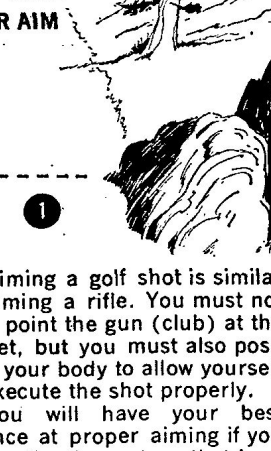

Arnold Palmer

Four-Time Winner of the Masters

HOW TO TAKE PROPER AIM

Aiming a golf shot is similar to aiming a rifle. You must not only point the gun (club) at the target, but you must also position your body to allow yourself to execute the shot properly.

You will have your best chance at proper aiming if you follow the three steps that I am showing in the illustrations.

First, approach the ball from behind and sight an imaginary line from it to the target. Square off this line at 90 degrees and extend the second line to some object at the right of the fairway (illustration #1).

Second, place the clubhead behind the ball so that it is facing down the target line (illustration #2).

Third, position your feet and your body so that you are facing directly the object you have chosen alongside the fairway.

If you follow this procedure, you will properly align not only your clubface, but also your entire body, into a perfectly square position.

2-13

Amethysts win

Altona Amethysts competition at Blackburn. Marching Girls won a medal for second Best costume at the City of Melbourne championship last Sunday.

On the previous Sunday at the Mountain District

BOWLER TAKES 10/28

Altona Combined has a convincing outright win over Ballarat Road Meths in C grade.

Altona hit up 209 in their first innings, with Haiming scoring 64, Beband 34, Nicholls 35, Parkin 15 and Foster 16 n.o. Ballarat was dismissed for only 59, with Nicholls taking 5/23.

Martin captured 3/24 and Jones finished with 2/2.

Forced to follow on, Ballarat could manage only 53 in their second knock.

Nicholls again spearheaded the attack with the remarkable figures of 5/5, giving him match figures of 10/28.
